ABOUT US

The **SOS Beauty Awards** ceremony was launched in 2023 to celebrate the one-year anniversary of the **SOS Beauty** mobile application going live on the app stores.

Since going live in June 2022 we have had over 1500 Hair, Beauty, Aesthetics and Holistic Therapy businesses register on the mobile-app and the number of both b2b and b2c users is growing daily. We felt that an award ceremony was the perfect opportunity to celebrate and recognise the talent within our network and so we launched the **SOS Beauty Awards**.

2024 will be our second year of running the awards and we plan to make it bigger and better than our first awards in 2023. The event will take place at the Crowne Plaza Hotel in the centre of the bustling city of Nottingham which provides an elegant venue with exquisite facilities for an evening of glitz and glamour. In addition to our live event we will have a live stream going out to hundreds, possibly thousands of subscribers across the UK.
